

Colorado High School Wrestling Records

revised 1 May 15

(Note: Records may be submitted by coaches at any time during the year. In general, the update will be made just prior to the state tournament each year. Records that have been submitted but not appearing here may not have been clear enough or did not meet the established minimum criteria. If you are certain that a record was submitted but does not appear, please contact Bert Borgmann at the CHSAA Office.)

INDIVIDUAL

(Records may have been produced at more than one school, including out-of-state schools, as long as the schools are noted.)
